

WHATPUB SURVEY FORM

WhatPub is the CAMRA website whose aim is to list all pubs in the UK. Unlike other guides, pubs don't have to pay to be shown and there aren't just a handful of people paid to find what's going on. Each CAMRA branch maintains the details for its local pubs, so there are potentially thousands of surveyors.

We want you to be involved in providing WhatPub information for any pub you may visit. You may be the Licensee, belong to CAMRA or a member of the public. Just supply as much accurate information as possible. **Don't be alarmed by the amount of questions on the form, the important ones are marked *, the more of the remaining information you supply, the more we can show on WhatPub. Full addresses are only required for new pubs.**

This form can also be found on our web site, you can download and complete, then send forms to harcamra@hotmail.co.uk or print and complete by hand, then scan and email.

Alternatively log on to WhatPub and 'Submit Updates' using the same detail. Tip: use the desktop version which will prompt for most items.
